

Trusted, Effective, Affordable

SUMMARY:

Sheep Mineral AWF is a dual season lick specifically formulated to deliver sheep a broad range of micro-nutrients they require to remain healthy and productive whilst grazing lush green feeds or as part of a supplementary feeding program during the dry season.

CONTAINS:

Macro Mineral		Trace Elements	Vitamins
Calcium	15%	Manganese	A,D & E
Phosphorus	3.6%	Zinc	
Magnesium	2.6%	Copper	Additional Ingredients
Sodium	12%	Cobalt	Vegetable protein meal
Sulphur	1%	Iodine	Sodium bentonite
		Selenium	Molasses
		Iron	All weather formula

DOSE RATE:

Sheep: 20 grams/head/day.

TIMING:

A dual purpose supplement for sheep grazing green feeds or during a supplementary feeding program.

THIS PRODUCT DOES NOT CONTAIN RESTRICTED ANIMAL MATERIAL

DIRECTIONS FOR USE:

Sheep Mineral AWF can be added to tubs or troughs and placed near water points or sheep camps. Once sheep are engaged with the lick, place containers further out in paddocks to better manage distribution of the lick across the mob. One container per 50 hd is recommended.

Adding drain holes to containers is suggested in wet conditions. Ensure clean, fresh water is available at all times.

BEST BEFORE:

12 Months from date of Manufacture.

STORAGE:

Store in a cool dry place, out of direct sunlight.

MEDICATED/NON MEDICATED:

Non Medicated.

WITHHOLDING PERIOD:

Nil Withholding.

PACK SIZES:

25KG bag, 40 x 25kg bags per pallet. Bulka bags.
