AVAILA Zn 120

Zinc is a trace mineral which supports:

- Immunity, reproduction
- Skin and hoof integrity
- Muscle development
- Milk production
- Eggshell quality
- Animals coping with stress

Zinpro Availa Zn is a patented metal amino acid complex which provides a high biological efficacy, so more of the mineral is absorbed by the animal to deliver the full benefit.

PACK SIZES: 2kg, 5kg, 25kg bags

This product does not contain restricted animal material.

Store in a cool dry clean place, nil withholding period.

When used correctly, there is no toxicity hazard in the use of Zinpro Availa Zn Zinc amino acid complex.

This is a guide only, use as directed, please seek professional nutritional advice.
